Dear Sir or Madam:

It is with gratitude that I write this letter today. Thanks to your generosity, we had the opportunity to transport approximately 20 families, which included close to 50 children, to our holiday celebration at St. Andrew's Church.

It is because of your munificence that these children were able to have a joyous and fruitful holiday season. It is important that we continue to work to help improve the lives of the families within our community especially during these arduous economic times. I believe with the cooperation of local businesses such as yours, a better Bronx is certainly within our reach.

Thank you for all of your help.

Very truly yours,

Luis R. Sepulveda
